Ajmer, the 27th April 1948

No. G-Munl-32(CC).—The Kekri Municipal Committee by a resolution passed at a special meeting held on the 11th August, 1947, having framed proposals for the revision of the Octroi Schedule (published in the Chief Commissioner's Notification No. F/23-33(CC), dated the 9th February, 1944 as subsequently amended) under sub-section (2) of Section 77 of the Ajmer-Merwara Municipalities Regulation (VI of 1925) and having under sub-section (5) of that Section, confirmed the said resolution at a special meeting held on the 2nd/20th October 1947, the same is hereby published as required by sub-section (7) of the said Section 77.

2. Under sub-section (8) of Section 77 of the said Regulation, the revised Schedule as set forth below shall come into force on the expiry of 3 months from the date of publication of this Notification in the Gazette of India.

RESOLUTION No. 1 :

Read (1) Committee's Resolution No. 1 of the Special Meeting held on the 11th August, 1947 resolving to publish the revised Octroi Schedule containing the articles on which Octroi duty is being levied and is proposed to be levied at the time of their import within the Municipal limits and to invite objections or suggestions within 30 days as required by the rules.

(2) Office report that the revised Octroi Schedule was duly published in the town inviting objections or suggestions thereto.

(3) Objections received from certain citizens purporting to say that the town is mostly inhabited by agriculturists and the Committee should not enhance the Octroi rates as it would not be profitable to the traders and the goods which are at present imported in the town will be sent to other adjoining places which would adversely tell upon the business of this centre resulting in reducing the sources of income.

(4) Office report that the financial position of the Committee has depleted badly and it has not been able to pay annual contribution of the Betham High School to the Government for the last two years nor is in a position to spend any money on sanitation and Public Works. The staff is poorly paid and is not getting Dearness Allowance to the extent as Government and other local bodies are getting. The Auditors have been bringing to the notice of the Committee the worsening financial position of the Municipality for the last two years and urging to improve the finances by raising taxes.

Resolved after full deliberations that there appears to be no other alternative but to raise certain taxes to keep pace with the expenditure which does not admit of any reduction and be passed as under with the necessary modifications and submitted to the Chief Commissioner, Ajmer-Merwara for favour of sanction and publication in the Official Gazette.
